Photography and website use

I am happy for photographs of my finished box to be used online.

I am happy for photographs to be used, but not if my name or inscription is visible.

I would prefer my box not to be photographed or shown online.

Notes

- Figure and grain will vary naturally from box to box, so each piece will have its own character.
- Prices listed on this form are valid for 2 months from the date of issue.
- Pricing is based on a standard loupe box format, unless unusual dimensions or other special requirements are agreed beforehand.
- Final specification details, timescale, and postage or courier costs will be confirmed before work begins.
- Lead times depend on my current workload, which can change, but as a guide please allow around 2 months from order confirmation.
- A 30% deposit is required before work begins, with the balance payable on completion and collection or before dispatch. Photos and/or videos of the completed box can be provided on request before shipping.
- For orders outside the UK, any local taxes, duties, or tariffs will be your responsibility.

Please send the completed form back to me at mike.r.forbes@gmail.com along with a top down picture of your loupes next to a tape measure or ruler.
